Pro/Legislation

Honorable James O. Eastland, Chairman
Committee on the Judiciary
United States Senate
Washington, D.C. 20510

Dear Mr. Chairman:

This letter is in response to your request for the views of this Agency on S. 1974 and an amendment in the nature of a substitute. I have reviewed this bill and the amendment, and in view of the fact that the Central Intelligence Agency neither makes rules nor engages in rulemaking procedures such as those addressed in this legislation, I defer to the views of other agencies and departments more directly affected.

The Office of Management and Budget has advised there is no objection to the submission of this report from the standpoint of the Administration's program.

Yours sincerely,

STANSFIELD TURNER
